

Joe Sandoval

Go With The Mojo, Vote For Your Bro Joe!

Rules and Punishment

The Joe Sandoval campaign believes students have a right to have their cell phones in school unless they cause disruption during class. Also, that students have the right to retrieve their own cell phones from the office at the end of the day.

Class Offerings

Our campaign would like to create a Zumba and yoga class to help improve student activity. We would also bring CTE classes to Brandon Valley in order to save money on gas for the students and the school.

Improvements to BVHS

We would like to get rid of TEAM and change it to DWYW, giving students a chance to work on homework or whatever they feel they need to get done.

School Lunch

Our campaign would offer open lunch as well as larger portions for our growing students. We would also allow students to preorder anything from outside restaurants for lunch.

Raising Money for the School

To raise money for all our changes we would create a Lynx walk to raise money for the school. We would also create a school store in which part of the funds made would go straight back to the school.

National Issue

The Joe Sandoval campaign would like to take Brandon Valley to the next level of going green. We would install solar panels and wind turbines which would pay for themselves in the long run and allow Brandon Valley High School to become energy independent.

Extra Curricular Activities

We would like to create a disc-golfing team as well as hardcore parkour, and trap-shooting
