“Tik Tok on the Clock, Vote for Austin Weisenbach”

In Nate Boscaljon’s senior pictures, he decides to pose half nude in the majority of them. If our next president has trouble properly clothing himself, how can we expect him to properly govern our school?

Not only does Nate approve of nudity to himself, but Nate is also trying to enforce nudity with the student body. If Nate is elected, he proposes Bikini and Speedo car washes.

is this really what we want our school to come to??

Along with being extremely provocative, Nate is also deciding to cut Softball, and Girls Golf. So much for women’s rights...

Do we really want this goofball to be our next president of our school?? Do the right thing, and vote Austin Weisenbach!
