Austin for Endangering the Innocent Lives of BVHS Students

Do you really want a president that's willing to have YOU, an innocent bystander, risk your life just to make a profit for your school? Austin Weisenbach doesn't care about you. He cares about money. He plans to have students race lawn mowers and ATVs at which he would charge \$20 to pit, and \$10 to race. I don't know about you, but I'd rather spend my money fundraising the drive in movie theatre or community sports clinic that Elliot Blue has to offer.

Other Negative Aspects of Candidate Austin

Weisenbach's Platform:

- Underground Shooting Range—just more proof to what I'm saying. He doesn't care about you if he's willing to have you risk your life.
- Cut Military Spending—it's not to say we'll have another war anytime soon, but what if we do? Austin is willing to cut military spending so what's going to happen to our lives when we don't have a strong military to protect us?
